

How can I support United Way?

GIVE

Make a tax-deductible donation

Whether through a workplace campaign, our website, or by mailing a check, your donation to the Community Fund has a profound impact on Greater Fall River.

ADVOCATE

Spread awareness

Follow us on social media! Share posts and help promote programs that support the health, education, and economic stability of your community. Contact your state and local reps for issues you are passionate about.

VOLUNTEER

Get involved

Make an impact in Greater Fall River with your time and talents. Serve on a Committee or Board, or participate with one of the many programs of our partner agencies

UNITED WAY OF GREATER FALL RIVER

We fight for the health, education, & financial stability of our community.

What do we fight for?

HEALTH

We expand access to affordable healthcare, healthy foods, and opportunities for physical activity. We're helping to create healthier beginnings and healthier lives, physically, socially, emotionally, and mentally.

EDUCATION

We help children achieve their potential, start school ready to succeed, and build critical reading skills to equip them for success. That includes providing young adults with the tools, resources, and confidence they need to graduate from high school ready for college or a career.

FINANCIAL STABILITY

We provide access to training, education and tools to improve lives. That includes helping individuals get credentialed to earn living-wage jobs and build a solid financial foundation for self sufficiency.

How do we win?

We win when we LIVE UNITED.

- By forging unlikely partnerships.
- By finding new solutions to old problems.
- By mobilizing the best resources.
- By inspiring individuals to join the fight against their community's most daunting social crises.

Thanks to you...

We improve lives by mobilizing people to invest in the community where resources are needed most.

We support our partner agencies with sustainable funding, recognizing that their presence is needed now more than ever. The need for access to behavioral and mental health clinics, crisis hotlines, food pantries and soup kitchens, job assistance and training, early childhood education and youth services is greater now than it has been in recent history.

We're the problem solvers.
The reachers-across-the-aisle.
The team players.
The funders.
The supporters.
The amplifiers.
